

Exmouth Whale Shark Tour

The Exmouth Whale Shark Tour offers the chance to snorkel with majestic whale sharks. With spotter planes leading the way, the well-coordinated tour ensured an ethical and structured swim alongside these gentle giants.

LOCATION

Tantabiddi Boat Ramp, Exmouth
Western Australia

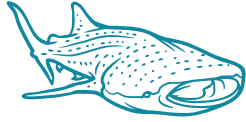

DEPTH

5-20 Meters

TEMP

24-28°

FEATURE

DIFFICULTY

A Medium - This is a great experience but you will need to be a confident snorkeller to keep up!

VISIBILITY

Usually 10-15m but can be up to 25m +

GETTING THERE

Exmouth is 1200km from Perth in Western Australia. There are several tour operators based in the town and they will collect you from your accommodation in Exmouth and take you to the Tantabiddi Boat Ramp where the Exmouth whale shark tour depart from. Or, if you are staying on that side of the Exmouth Peninsula like we were, you can meet tour groups at the jetty.

LOOK FOR

- Whale Sharks
- Humpback Whales
- Turtles
- Sharks
- Fish

BEST TIME TO SNORKEL

Whale sharks are on Ningaloo Reef from March to August, peak season is from May to July. We strongly recommend booking a whale shark tour in advance as places fill quickly in peak season. If you go on a whale shark cruise from June, you might also see humpback whales which are in the area from June to October. There are separate tours available to swim with them.
