

# Jurien Bay Sea Lions

Join a guided tour to visit the Australian Sea Lions in the Jurien Bay Marine Park on Western Australia's Coral Coast. They are unique and playful and will zip around you in the water and somersault out of the water making this a fun and engaging snorkel.

## LOCATION

Jurien Bay, Western Australia

## DEPTH

2-4 Meters

## TEMP

18-23°

## FEATURE

## DIFFICULTY

Easy

This is an easy guided tour to an island not far from the mainland.

## GETTING THERE

Join a guided tour to visit the Australian Sea Lions in the Jurien Bay Marine Park on Western Australia's Coral Coast. They are unique and playful and will zip around you in the water and somersault out of the water making this a fun and engaging snorkel.

## LOOK FOR

- Australian Sea Lions

## BEST TIME TO SNORKEL

If you have the chance to go out early, that's the way to go. There is less wind and the sea lions are more active first thing in the morning. If you would rather have warmer conditions, you can do a later tour but the water might be a bit more lumpy and visibility slightly poorer.
